About Queenie - Located in Doreen

My name may be Queenie, but I do not have expensive tastes or make any Queen like demands, in fact I like the simple things in life and am a super laid back lady.

All I need or want is someone to sit besides at the end of the day, some pats, maybe an under the chin massage and a hand to rest my head in or hold onto with my paws (you see once you do sit down and start patting me I really don't want you to get up for a while).

I am a very good listener and will love to hear all about your day and listen to your feelings but won't judge or back chat ever. What I will do is purr my mighty healing purrs until you are done and feeling better. Apart from pats and chin scratches I also like playing with my toy mice and my toy bird really intrigued me when it chirps when I touch it.

If you want a cat who will lap up your love straight away and give it back in return, this calm, relaxed sweetheart is your girl
